

Name _____

Complements to 100

$$100 = 28 + \underline{\quad}$$

Draw what you did with the blocks:

Now try these problems:

$$100 = 82 + \underline{\hspace{2cm}}$$

$$100 = 65 + \underline{\hspace{2cm}}$$

$$100 = 56 + \underline{\hspace{2cm}}$$

$$100 = 37 + \underline{\hspace{2cm}}$$

$$100 = 73 + \underline{\hspace{2cm}}$$

$$100 = 42 + \underline{\hspace{2cm}}$$

Try to predict the answer to the next problem.

$$100 = 24 + \overset{\text{My prediction:}}{\boxed{\hspace{2cm}}}$$

Now try the problem with your blocks and see!

$$100 = 24 + \underline{\hspace{2cm}}$$
